

Community Open House Shoreline Master Program Update

- Who:** Anyone who owns lakefront property, recreates on the lake, cares about the health of the shoreline, or wants a say in Medina's waterfront character should attend.
- What:** This is a kick-off event for public involvement. Learn more about the Medina Shoreline Master Program update, talk with staff and consultants working on the effort, share your ideas and learn how you can participate. The Shoreline Master Program is an important document that controls development along the waterfront and within 200 feet upland. The update is required in order to meet new state guidelines.
