

SURVEY QUESTIONNAIRE

1) What do you like or value most about Medina?

2) What, in the physical realm, could be improved in Medina?

3) Do you walk, jog, and/or bicycle through Medina for recreation, exercise, commuting, etc.

4) Do you think that improving sidewalks along Evergreen Point Way and making the street more pedestrian-friendly has merit?

5) What else could be improved, fixed or addressed along Evergreen Point Way, i.e., drainage, crosswalks, utilities, intersections, parking, landscaping...

6) Are there neighborhood streets in communities elsewhere that you really like? If so, where are these places and what do you like about their streets?

7) Other comments and suggestions
